

Have a unique and fun-filled themed party experience!

Your group will be given use of our facilities and be guided by experienced staff members.

Parties include:

- 90-minute interactive presentation with themed activities
- each child takes home a completed craft project
- 30-minute period for cake and gifts
- Plain white paper goods

You provide the food, beverages & cake - we do the rest!

Take a Nature Hike

Have a Reptilian Party!

Explore Our Fossil Beds

Visit the unique animals in our Nature Center, like our “pre-historic” Franklin the Iguana; Chaser the fastest turtle in the east; or the fishy-fish and funny frogs.

We can also work with you to do a combined party at the Nature Center with entertaining reptile instructors.

Franklin the Iguana

Bug-Eyed Bugs - Explore the ponds, fields, streams, and forests of Poricy Park for your old and new favorite critters.

Creatures of the Pond - A trained naturalist will lead you to Murray Pond where each child will experience netting for pond dwellers. The birthday child will dress up as a “pond creature” - a picture perfect moment! Create a fish print to bring home! (April through October)

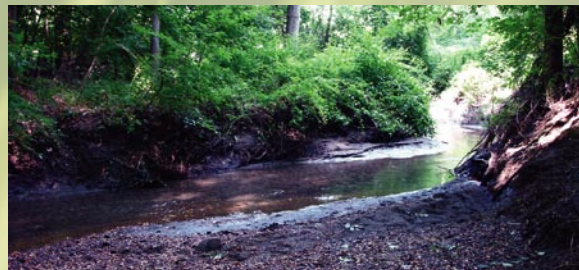

Fun with Fossils - Travel to prehistoric times with a fossil expert! Guests will be guided through their own hands-on expedition of our Cretaceous fossil beds in Poricy Brook. Decorate a container to bring home your best fossil finds! (Please note you must provide transportation to the fossil beds from the Nature Center. Wear shoes/boots to wade in the brook. Towel and extra shoes recommended. April through October)

We provide invitations on request (maximum 15) and plain white paper goods.

The only thing you provide is the food and beverages. We do the rest!

Visit or call the Nature Center at 732-842-5966 to arrange your date.

Parties must be booked a minimum of 3 weeks in advance to insure staff availability.

Age minimums apply for some of our programs. Please call the Nature Center for assistance.
